The Auxiliary of Southwest Regional Medical Center Makes Donation to GCMHF.

At its annual luncheon held on June 12, 2012, the Auxiliary of Southwest Regional Medical Center (SRMC) presented Greene County Memorial Hospital Foundation with a \$25,000 donation. This donation, which brings the total amount for the fiscal year to \$50,000, will be used to provide tuition assistance awards to Greene County students who are pursuing medical degrees and plan on returning to Greene County upon graduation.

Mary Zollars, President, SRMC Auxiliary
David Jones, Executive Director, GCMHF

The Auxiliary, which provides services in three separate areas (escort services and the gift shop at Southwest Regional Medical Center, as well as the Cherry Door on Elm Drive in Waynesburg), seeks to have an immediate and powerful impact on the healthcare services available to Greene County residents. By donating their revenue to GCMHF, the Auxiliary of SRMC is currently providing funding for a medical student, five nurse practitioner students, and one nursing student awards.

GCMHF Awards Grant to Central Greene School District

Each year, GCMHF grants these awards based on a variety of criteria in hopes of attracting the best and the brightest of Greene County to practice their medical training in the area where they grew up. This year's recipients of the CRNP tuition assistance awards are Cindy Demniak, Sherry Parsons, and Jessica Tennant. All three women are Greene County residents and have spent most of their nursing careers in Greene County, and plan to continue doing so once they have obtained their CRNP license. The recipient of the nursing tuition assistance went to Christian Berardi, who is attending Waynesburg University.

GCMH Foundation would like to congratulate Shilynn, Alex, Mariah, Brittany and Nicole and wishes them the best of luck in their academic endeavors as they pursue their dream.

When GCMHF became aware that the only indoor swimming facility in the county was experiencing difficulties due to financing, it stepped in and donated \$28,000 for maintenance and operational expense for the upcoming year. Since the pool* is used by the community in the evening, as well as students during the year, GCMHF was happy to be able to provide funding in order to maintain the facility and its current hours of operation going forward.

The public is welcome to use the facility in the evenings during the week, at a nominal charge throughout the year. Anyone who is a current member in good standing with the Foundation for Wellness at Southwest Regional Medical Center may participate in open swim at no cost. In addition, the Foundation for wellness hopes to expand their current water aerobic classes due to the fact that the water aerobic classes held in the therapy pool of the wellness center have been completely full. The schedule for the new classes has not yet been finalized, but tentative plans are for at least two evenings per week at the high school pool.

*A lifeguard is on duty 100% of the time during open swim.

For more information, please contact the Foundation for Wellness at 724-627-2739.
